

April 4, 1975

PRESIDENT: No. The question is the adoption of the committee amendment. Record your vote. Please vote. Record.

CLERK: 25 ayes, no nays.

PRESIDENT: Amendment is adopted. Senator Barnett.

SENATOR BARNETT: I move for the advancement of 541 as amended. It's another juvenile court bill. This is the one that was brought in a little late that has to deal with specific procedures for revoking probation or amending probation orders in juvenile court. The first statement of the committee report really tells what the bill does. It relates to juvenile court and would provide procedures for revocations of probation. In addition to providing these procedures, it sets minimum standards that the courts would follow and the juvenile courts would follow across the state. This is following recent Supreme Court decision and that's the purpose for this bill so I would ask for your advancement of LB 541.

PRESIDENT: The question is the advancement of LB 541. Record your vote. Record.

CLERK: 29 ayes, no nays on motion to advance.

PRESIDENT: The bill is advanced. Following your Agenda, we'll now leave General File and take up Item 12 on your Agenda.
